

## Cycle Mallorca Espana

Destination Cycling welcomes you to a special training week in Mallorca, Spain. Join us for 7 days and 6 nights cycling the fabulous roads of Mallorca Spain. Come ride with us on the island that is known all over Europe for early season cycling. Over 250,000 cyclists of all levels and riding desires visit this Island each year. Mallorca has built an infrastructure that caters directly to all levels and all types of cyclists. From the flats (if needed), to the rollers (sure why not), to traditional European switchback climbs (oh yes, that is why you came), Mallorca has it all and is one of the best areas to start your season.

**NEW in 2018** - We will be staying at the beautiful Zafiro Palace Alcudia Spa Resort located on the northeastern side of the island and gateway for easy access on our daily rides. We've listened to many of your requests over the past few years and believe this is the hotel you have been asking for! Your trip package includes all breakfasts and dinners at this Wellness and Spa style hotel. The weather has historically been mild with temps from 60's to low 70's and with over 300 days of sunshine we hope "Mother Nature" will shine on us while we are there.

*See for yourself why over 90% of our guests have all returned for more of what this island has to offer....*

Trish Karter – a FABULOUS riding experience in the company of terrific cyclists and nice people in a beautiful place!  
Great food. Great Organization. Great Support. Great riding companions. Big Challenges. Outs (if you need them). Sophistication about training (if you want to access it). FUN for sure. ELEVATION as much as you want. GORGEOUS scenery whether you want it or not. Lively group meals unless you prefer quiet small ones – all controllable and easy. No drama. Very comfortable facilities and services for what you need. Weather close to perfect every day! OPTIONS daily for whatever kind of ride best suits you. Bottom line – I'll go back if I can. Joe and Marti are super pros at this --- as is their WONDERFUL team. **5 STARS** (of 5). Trish Karter 2<sup>nd</sup> overall B.U.M.P.S

### **Insurance**

Destination Cycling strongly suggests that you carry both personal and travel insurance. Travel insurance is well worth the money it costs, here are a few reasons why:

In the event you need to cancel your trip, you can recoup the cancellation penalties, travel interruptions, delays, emergency medical expenses, lost baggage, emergency medical assistance, last-minute or emergency travel changes and more.

Travel insurance also helps protect yourself and your belongings if you can't travel or if your vacation is interrupted for any reason.
